Participants will be eligible to receive 6 hours of re-licensing credits. Please note each participant must attend each class in its entirety to receive full credit for that class.

NO REFUNDS

The Pikes Peak Region
Family Child Care Association
2010 Fall Conference will offer you ideas on getting the children in your care excited about the outdoors.

PPRFCCA is excited to present Sally Shaver as our keynote speaker. Sally is from Ames, Iowa, and has been helping people smile and laugh for most of her life. She has been a teacher and coach for over twenty years helping young people learn about staying healthy and physically active in a creative and fun way. In 1996, Sally began her journey as Silly Sally the Clown. She entertains people of all ages across Iowa at community events, churches, schools and libraries. She enjoys teaching kids and adults about nutrition, health and physical activity through her clown character. She has released two children's CD's and a video. All of these projects promote active participation with her Silly Sally songs.

In February 2007, Sally became a Certified Laughter Leader through the World Laughter Tour. She and about 15 other people attended a two-day intensive course at the Cancer Treatment Centers of America in Zion, Illinois. From this training, Sally is now sharing laughter exercises to kids and adults in her Laugh It Up Laughter club. And, she enjoys sharing how laughter and humor can improve health and enjoyment of life.

Sally, along with speakers from the Cheyenne Mountain Zoo, Fountain Creek Nature Center and the Audubon Society will help you find your **Outdoor Connections.**
